Our Ministries

Rescue

Low-income, homeless and marginalized members of the community receive assistance from meals to medical needs.

Recovery

Men and women overcome addiction and rebuild their lives through a long-term residential program that offers Christian counseling, Bible study, life-skills training, and employment readiness in Bessemer and Cullman, Alabama.

Re-Entry

Ex-inmates transition back into society with the help of life-essentials and practical guidance.

Our Social Enterprises

Thrift Stores

Goods donated to our Thrift Stores in Cullman, Fairfield, Pelham and Pell City are sold or recycled to help fund our programs and services. The stores also provide employment readiness for the men and women in our Recovery and Re-Entry programs.

Auto Sales Center
